

GLASS COLLECTION

Architectural glass for aluminium framed doors.

A curated collection of glass finishes for design-led interiors.

Precision Crafted. Beautifully Framed.

CLASSIC GLASS

Toughenable

4mm toughened classic glass provides a durable and safety-compliant solution for interior furniture doors. The narrow reeded and satin finishes gently diffuse light and soften visibility, while reflex offers an additional reflection which makes it a versatile choice within interior furniture.

Available finishes.

4mm Clear Narrow Reeded
Toughenable Glass

4mm Clear Satin
Toughenable Glass

4mm Reflex
Toughenable Glass

CLASSIC TINTED GLASS

Toughenable

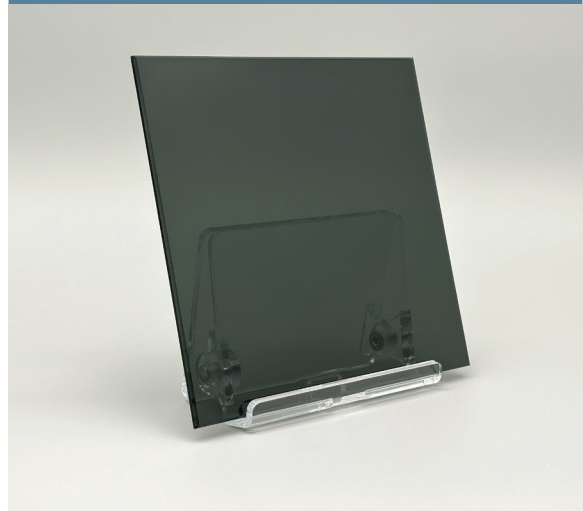

4mm toughened tinted glass provides a durable and safety-compliant solution for interior furniture doors, offering increased strength over standard glass. The subtle tint adds depth and softens visibility, creating a refined, contemporary finish.

Available finishes.

4mm Grey Tinted
Toughenable Glass

4mm Dark Grey Tinted
Toughenable Glass

4mm Bronze Tinted
Toughenable Glass

MIRROR

Non-Toughened

Classic mirror brings brightness and depth to interior furniture, creating a timeless reflective finish. Ideal for decorative cabinetry, it offers a refined aesthetic when combined with aluminium framing.

Available finishes.

4mm Silver
Non-Toughenable Mirror

4mm Grey
Non-Toughenable Mirror

4mm Bronze
Non-Toughenable Mirror

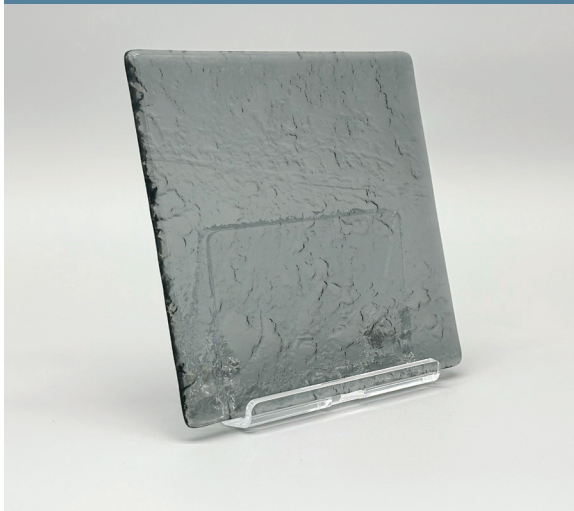

ARTISAN GRANITE TINTED GLASS

Toughenable

4mm toughened artisan granite tinted glass combines durability with safety compliance, making it ideal for interior furniture doors. The textured granite finish diffuses light and softens visibility, while the tint adds depth and a refined, contemporary aesthetic.

Available finishes.

4mm Grey Tinted Artisan Granite Toughenable Glass

4mm Dark Grey Tinted Artisan Granite Toughenable Glass

4mm Bronze Tinted Artisan Granite Toughenable Glass

4mm Clear Artisan Granite Toughenable Glass

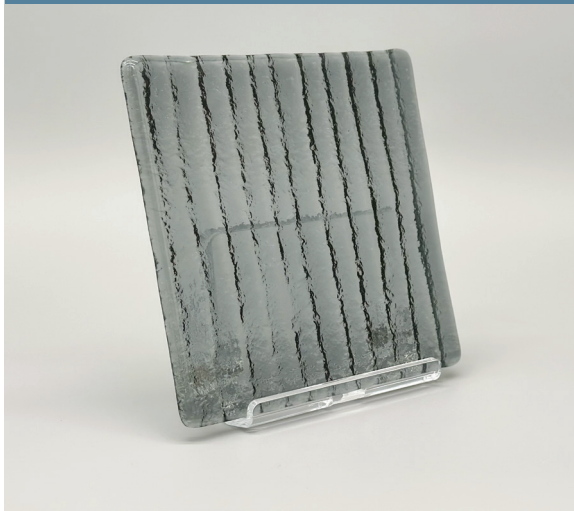

ARTISAN REEDED TINTED GLASS

Toughenable

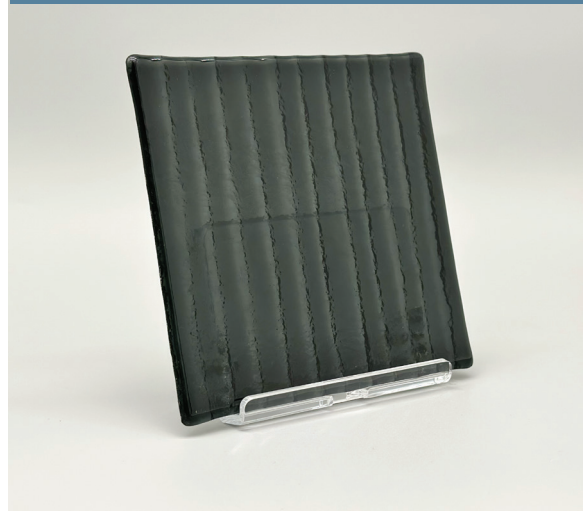

4mm toughened artisan tinted reeded glass provides a durable and safety-compliant solution for interior furniture doors, offering increased strength over standard glass. The reeded texture diffuses light and softens visibility, while the tinted finish adds depth and a refined, contemporary aesthetic.

Available finishes.

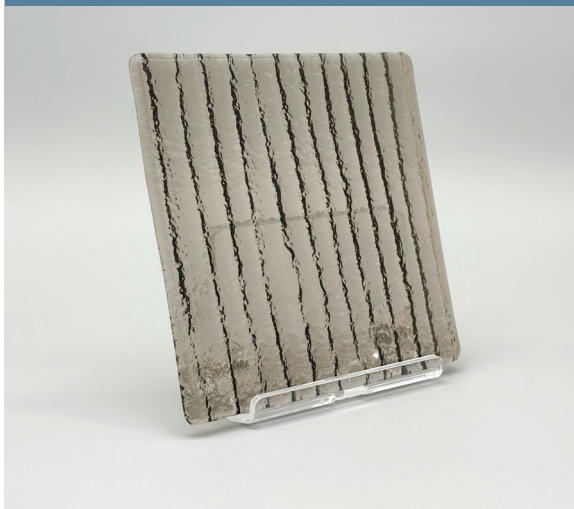

4mm Grey Tinted Artisan Reeded Toughenable Glass

4mm Dark Grey Tinted Artisan Reeded Toughenable Glass

4mm Bronze Tinted Artisan Reeded Toughenable Glass

4mm Clear Artisan Reeded Toughenable Glass

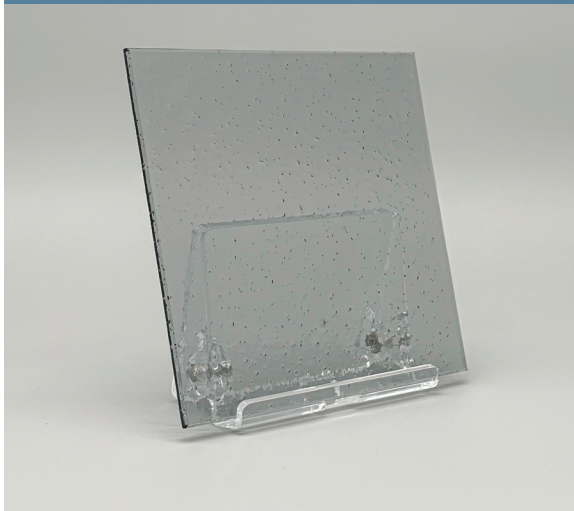

ARTISAN SEEDED TINTED GLASS

Toughenable

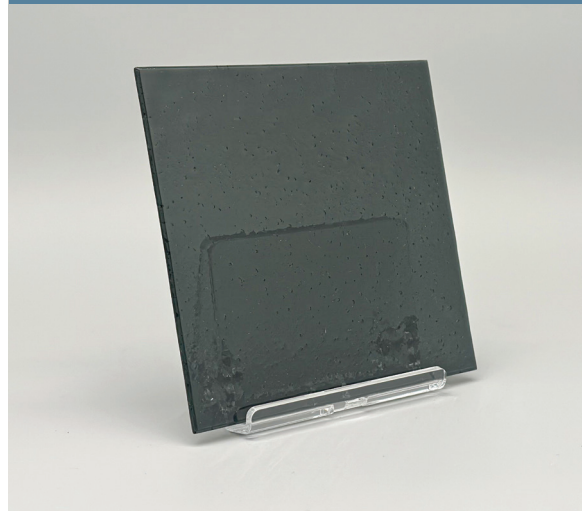

4mm toughened artisan seeded tinted glass is engineered to provide a durable, safety-compliant option for interior furniture doors. The seeded texture subtly diffuses light and softens visibility, creating a refined and characterful finish.

Available finishes.
